To Whom It May Concern,

I am writing on behalf of Cindy Sinto who is seeking to be registered as an available speaker with your organization.

I have used Cindy on numerous occasions as a speaker in our church and have heard her speak in other settings as well. I have found her to be well prepared, punctual, and very impacting on her listeners. Cindy holds the attention of her audience and communicates in a clear and uplifting manner the topic she addresses. Her personal testimony is powerful and I would highly recommend its presentation to any audience. It is a moving account of the power of God's sustaining grace.

Cindy is a gifted writer and teacher of God's Word. She has spiritual depth and mastery of the Scriptures that is born out of her many years of dealing with medical issues.

I presented a series of messages using Cindy's book "A Heart Like Mine" that received a tremendous response of approval from our church family. Using the chapters of her book as an outline it proved to be an insightful and helpful approach to understanding God's ability to assist people in difficult times.

I highly recommend Cindy as an available speaker. Without reservation I can say that she will be well received and deliver an appropriate message in whatever setting she is given the opportunity to provide a presentation.

Thank you,

Dr. Robert V. Smith
